CHAPTER PROJECT

FCCLA At the Table/Family Dinner Project

www.familydinnerproject.org

Plan a service project for families in your community to prepare healthy meals (eating at home is a lower cost than prepared or eating out) and have family conversations. (improving family communications).

Service Project Ideas:

Make conversations cards for students to take home to families. Suggest home prepared meals and menus to families.

CHAPTER PROJECT

FCCLA POT LUCK

Hello Minnesota FCCLA!

WHAT: This year for MLK Day we would like you to host a free will donation pot luck for your community.

WHY: We are asking that the money you raise is donated back to your community.

HOW: The way this will work is as a chapter you will decide the meal, side dish, desert, and drink. After everything is decided have each member sign up to bring an item or two. As a chapter you will need to advertise, cook a meal, and raise money for something amazing!

WHEN: Martin Luther King Jr. Day in January 20th so we are asking you host this potluck around that time.

COMPLETE FORMS: Remember if you complete this it could help you complete the Triple Crown Award!

MIDWINTER

Area Meetings
ALL 5 AREAS!

Bring donations for low income families.

- Socks for soles.
- Food shelf items to a local food shelf.

Also learn! State Officers have a poster display about non profit agencies in their counties. Hear about non profit agencies on your counties from your State Officers.

CHAPTER PROJECT

Do a FINANCIAL FITNESS project as a service to your peers or community around January 17-20, 2020

Service project ideas:

- Educating people about FAFSA, filing taxes, financial literacy, etc. (Youth must be the ones teaching for this to count as volunteer service)
- Creating a backpack program (Backpacks can be purchased, but items to fill bags must be collected)
- Financial Literacy Fair-(While not all youth volunteers might present during the fair, all of, but all youth can help prepare)
- Food, book, or school supply drive (You need to know who donated; a box can't just be left in the Principal's office)
- Conduct a service initiative in your school about financing your future or about saving.
- Conduct a "no spend weekend campaign" in your school to inform about low income entertainment ideas for teens.

The Financial Fitness Units are:

Earning , Spending, Saving, Protecting
