MLK DAY OF SERVICE

THREE WAYS TO GET INVOLVED

SPREAD POSITIVE MESSAGES

Lead an effort to send cards and messages to members of your community who may be older; in nursing homes or assisted living homes. Write about what you are doing in school, your FCCLA projects, work and hobbies. Send the notes to a staff member and ask them to distribute to residents who may not be getting any visitors or mail.

PROMOTE LITERATURE ABOUT DIVERSITY AND INCLUSION

Donate a book to your school library or community library that was written by an author who has a diverse background, features children of diverse cultures, or spreads a message of inclusion. You could even develop a reading project for children in elementary classes to complete along with the story you donated. This could be an art project, a poem, or an essay.

HELP STOP FOOD INSECURITY

Develop a food shelf donation system with a drop off point from which FCCLA members can help replenish the food shelves in your community.
1. Determine individual or group chapter efforts for January 15-22.
2. Fill out the report forms. We have a goal of at least 500 youth volunteers involved with MN FCCLA.
3. Report to the state FCCLA Office with your forms, photos and reports by January 22.
