- ✓ Tell other students about 911 day History as a service to your school. Use bulletin boards, announcements, videos, etc.
- ✓ Honor your first responders in the community with thank you notes, breakfast muffins, or other small gratitude.
- ✓ Write postcards to military person to thank them. Send postcards to the non profit organization "Operation Gratitude" to distribute to a military base.

Chapters have been provided postcards to allow your chapter to involve many students in 911 day service project by writing to military persons.
