Conference Sessions and Speakers

Joe Beckman
Keynote Speaker and Bestselling Author
Friday Opening Session - 4:30pm
Saturday Advisers Breakfast - 7:30am

Combining humor, authenticity, heart, and soul, international speaker Joe Beckman shares five specific phrases he believes all kids (and adults) need to hear. The result is a refreshing, authentic, and down-to-earth approach to finding self-worth (Love YOU), resilience (Push Through), confidence (Fail On), joy (Yeah Toast!), and maybe most importantly, human connection (Just Look Up).

Joe has one Simple Mission:

Reclaim Human Connection

Whether it's an educational setting in Minneapolis, a Leadership workshop in Montana, or an International Conference in Malaysia, Joe's timeless message (and unique delivery) around human connection is being craved more than ever!

It's only when we stop and slow down, separate from our screens, and truly listen to each other's stories, that we can course correct, and give ourselves the best chance to leave their mark on this world.

President: We are members of Family, Career and Community Leaders of America. Our objective is to promote personal growth and leadership development through Family and Consumer Sciences education.

Officers: Focusing on the multiple roles of family member, wage earner, and community leader, members develop skills for life through character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation.

Members: As we work toward the accomplishment of our goals, we learn cooperation, take responsibility, develop leadership, and give service.

President: This meeting of the Minnesota Association of Family, Career and Community Leaders of America is now in session. Let us repeat our creed.

FCCLA Creed

We are the Family, Career and Community Leaders of America. We face the future with warm courage and high hope. For we have the clear consciousness of seeking old and precious values. For we are the builders of homes, homes for America's future. Homes where living will be the expression of everything that is good and fair. Homes where truth and love and security and faith will be realities, not dreams. We are the Family, Career and Community Leaders of America20
